

AMST-AVIATION B.V.

# BUILDING CONFIDENCE.

AMST-Aviation B.V. is a growing, young and dynamic company with a global reach. We design, develop and assemble state of the art reliable flight simulation products, including Full Flight Simulators (e.g. Airbus A320, Boeing B737) and immersive environments tailored towards the civil aviation market. To expand our activities, we are looking for a:

## Project Manager

Fulltime - 38 hours p/w

### Your Tasks:

- Planning and determination of the required resources, budgeting, and purchase process for the assigned flight simulation projects;
- Monitoring the achievement of requirements and the progress of the projects. Creating status reports for the management team;
- Building relationships and maintaining contact with suppliers, sales, and other departments;
- Support the sales team with customer proposals for new opportunities;
- Support the installation of the devices at the (foreign) customers' and partners' facilities.

### We Offer:

- An interesting opportunity within a small, dedicated team in a high-tech environment;
- An open cooperative working environment that offers a good work-life balance and a path for personal development;
- Good working conditions including a 38h work week with flexible start and finish times, a pension scheme, commuting allowance, and a competitive salary.
